

Rochester Personal Defense
Presents the
National Rifle Association's

Basic Pistol Class

If you have just purchased a pistol, know someone that has one, or would like to obtain the knowledge to be safe with a firearm, this is the class you should attend. For those of you looking to obtain a non resident permit for another state, this is the only class that most of them will accept without hesitation.

The class will cover Safety, operation of both revolvers and semi-automatics, ammunition, carrying, storing, transporting, buying, air pistols, cleaning, shooting fundamentals and more. The Basic Pistol course is taught by NRA Certified Instructors that have received high marks for their approach and teaching skills.

**The course starts at 8:00 am, lasts for 8-9 hours and costs \$80.00.
A certificate will be issued upon the successful completion of the class.**

Date: March 13th, 2010

Time: 8am to 6pm

**Location: The Conservation Club of Brockport
291 Ladue Rd, Brockport**
